

CODING | ROBOTICS | ANIMATION | MINECRAFT

AFTER SCHOOL CLUBS

- Hands-on and interactive
- Unique, age appropriate content
- Educational and entertaining
- Great fun!

PREPARING CHILDREN FOR THE FUTURE

Coming Soon!

ComputerXplorers

A brand new **ComputerXplorers** club is open for registrations now!

ComputerXplorers leads the way in providing technology-based activities that are both inspirational and educational. Our unique brand of hands-on programmes are always full of fun and interaction. We encourage children to find out what's behind the technology, building in collaboration, creativity, critical thinking and confidence along the way!

This Term... **BACK** by popular demand!

Share the fun and learn along the way as we dig, chop and code our way through worlds full of challenges and new discoveries. Your creativity and critical thinking will be needed as we work our way through a series of builds and challenges to test and develop your digital skills. Join us in our secure online Minecraft World: there's plenty to dig into for avid Minecrafters and those who are just getting started.

Key Information

- ➔ Open to children in **Key Stage 2**
- ➔ Runs for **6 weeks** from 3.30pm to 4.30pm
- ➔ Every **Thursday** from **8th June**
- ➔ Cost for the full course is £45

It's all part of the package...

- ➔ Fun, inspiring, hands-on activities
- ➔ Problem-solving, creativity, logical reasoning
- ➔ Encouraging children to be not only innovative technology users, but inspired creators of technology.
